## Who It Is For

---

-  Users of HP LaserJet Pro 4004dw/4004d/4004dn printers
-  Those needing high-yield black toner for A4 printing
-  Customers requiring cost-effective toner solutions
-  Users prioritizing easy installation and support

## Who It Is Not For

---

-  Owners of non-listed HP printer models
-  Users needing color toner cartridges
-  Low-volume printers with minimal page requirements
-  Customers without access to customer support

## Trade Offs to Consider

---

-  Lower cost than original HP cartridges
-  Requires careful model verification before purchase
-  No color printing options available
-  Limited support channels compared to OEM

## How It Compares

---

- Original HP cartridges cost more but offer warranty
- Third-party alternatives may vary in print quality
- This cartridge matches OEM yield but lacks brand support
- Compatible options reduce long-term printing costs

### Choose This If...

---

- ✓ You need high-yield black toner for listed HP models
- ✓ You prioritize cost-effective printing solutions
- ✓ You require easy installation and support access
- ✓ You verify your printer model before purchasing

### Skip This If...

---

- ✗ You need color toner cartridges
- ✗ Your printer isn't on the compatibility list
- ✗ You prefer original equipment manufacturer (OEM) guarantees
- ✗ You have limited access to customer support
