## Who It Is For

---

-  Offices requiring color ID cards
-  Schools issuing student badges
-  Organizations needing quick ribbon replacement
-  Users printing 200 single-sided cards
-  Magicard Pronto 100 printer owners
-  Budget-conscious card printing needs

## Who It Is Not For

---

-  High-volume printers needing 1000+ cards
-  Thermal transfer ribbon users
-  Duplex printing requirements
-  Smaller 2.125 x 1.5 inch media
-  Non-USB compatible printers
-  Users needing 24-bit color depth

## Trade Offs to Consider

---

-  Limited to 200 single-sided prints
-  No thermal transfer option available
-  Fixed 3.37 inch media size
-  USB-only connectivity required
-  No duplex printing capability
-  Requires software demo card setup

## How It Compares

---

- Less than 1000 print capacity vs. bulk ribbons
- Dye sublimation vs. thermal transfer options
- Single-sided only vs. duplex printing
- USB-only vs. network-ready features

## Choose This If...

---

- ✓ Need reliable color ID card printing
- ✓ Print 200 single-sided cards at once
- ✓ Use Magicard Pronto 100 printer
- ✓ Require 3.37 inch media size
