ENERGY EFFICIENCY

ENERGY STAR compliant with Eco Mode option

Who It Is For

-  Small offices needing color printing
-  Remote workers requiring wireless access
-  Freelancers needing scan and copy
-  Hybrid teams with limited space
-  Solopreneurs needing secure printing

Who It Is Not For

-  High-volume print shops
-  Users without wireless network
-  Those without a Brother subscription
-  Users needing mobile app controls

Trade Offs to Consider

- Slower than high-end color printers
- Requires subscription for full features
- Limited mobile app controls
- Higher cost than standard laser printers

How It Compares

- Better than single-function printers
- More compact than desktop models
- Eco-friendly compared to standard printers
- Less versatile than high-end multifunction devices

Choose This If...

- ✓ Need color laser printing
- ✓ Require wireless and mobile access
- ✓ Want automatic duplex printing
- ✓ Need ENERGY STAR compliant device

✗ Skip This If...

- ✗ Require high-volume printing
- ✗ Can't commit to subscription
- ✗ Need advanced mobile controls
- ✗ Prefer standalone printers
