## Who It Is For

---

-  Users needing fast black-and-white printing
-  Home offices with limited space
-  Small businesses with basic printing needs
-  Users who want wireless printing options
-  Those needing automatic duplex printing
-  People who need scanning capabilities

## Who It Is Not For

---

-  Users requiring color printing
-  Those needing high-volume printing
-  People looking for advanced networking features
-  Users who need large-format printing
-  Individuals needing mobile app integration
-  Those with strict environmental requirements

## Trade Offs to Consider

---

-  Limited connectivity options compared to newer models
-  No mobile app for direct printing
-  Higher power consumption than some alternatives
-  No built-in scanning for photos or documents
-  Limited media size support for specialty paper
-  No cloud-based printing features

## Users Say

---

### ● POSITIVES

- ✓ Works well for everyday printing needs
  - ✓ Easy to set up and use
  - ✓ Good value for the features included
  - ✓ Includes all necessary accessories
  - ✓ Reliable and consistent performance
- 

### ● COMPLAINTS

- ⚠ No mobile app for direct printing
- ⚠ Limited media size support
- ⚠ Higher power usage than expected
- ⚠ No cloud printing options
- ⚠ Limited connectivity options

## How It Compares

---

- Better than basic inkjet printers for black-and-white use
- Slower than high-end laser printers for large volumes
- More compact than full-featured all-in-ones
- Fewer connectivity options than modern models
- Less energy-efficient than some alternatives
- More affordable than premium laser printers

## Choose This If...

---

- ✓ You need a reliable monochrome printer
- ✓ You want wireless and USB printing options
- ✓ You require automatic duplex printing
- ✓ You need basic scanning capabilities
- ✓ You want a printer that fits in small spaces
- ✓ You need a printer with included toner and drum

## ✗ Skip This If...

---

- ✗ You need color printing
- ✗ You require high-speed printing for large volumes
- ✗ You need advanced networking features
- ✗ You want mobile app integration
- ✗ You need cloud-based printing
- ✗ You require large-format printing
