## ✓ Who It Is For

---

- ✓ Users needing high-volume black-and-white printing
- ✓ Home offices with limited desk space
- ✓ Teams requiring wireless mobile printing
- ✓ Users prioritizing duplex to reduce paper waste
- ✓ Small businesses with budget constraints
- ✓ Users needing secure network printing
- ✓ Those using Brother genuine supplies

## ✗ Who It Is Not For

---

- ✗ Users requiring color printing
- ✗ High-volume color printing needs
- ✗ Those without a subscription for toner
- ✗ Users needing a built-in scanner
- ✗ Large office environments
- ✗ Users prioritizing compact size over capacity
- ✗ Those needing advanced paper handling

## Trade Offs to Consider

---

- Subscription required for toner refills
- Limited paper handling for specialty media
- No color printing capabilities
- Dependent on mobile app for remote access
- Higher long-term costs with toner subscriptions
- Smaller paper tray than competitors
- No built-in scanner or fax functions

## Users Say

---

### ● POSITIVES

- ✓ Reliable and consistent print quality
  - ✓ Easy to set up with mobile app
  - ✓ Good value for home office use
  - ✓ Energy-efficient operation
  - ✓ Automatic duplex saves paper
- 

### ● COMPLAINTS

- ⚠ Toner subscription costs add up
- ⚠ Paper tray capacity is limiting
- ⚠ Mobile app has occasional connectivity issues
- ⚠ No color printing options
- ⚠ Setup requires technical knowledge

## How It Compares

---

- Faster than basic laser printers
- More compact than high-capacity models
- Better connectivity options than older models
- Lower cost than color printers
- Fewer features than all-in-one devices
- Higher long-term costs with toner subscriptions
- Better energy efficiency than non-certified models

## Choose This If...

---

- ✓ You need reliable monochrome printing
- ✓ You prioritize duplex to save paper
- ✓ Wireless access is essential for your workflow
- ✓ You use Brother genuine supplies
- ✓ You want ENERGY STAR® certified equipment

## ✗ Skip This If...

---

- ✗ You require color printing
- ✗ You need a built-in scanner or fax
- ✗ You lack a subscription for toner
- ✗ You need advanced paper handling
- ✗ You prioritize compact size over capacity
