## Who It Is For

---

- ✓ Users printing photos or documents
- ✓ Owners of Canon PIXMA MG2420
- ✓ Photographers needing consistent color
- ✓ Home users with TS302 series printers
- ✓ Businesses using MX492 workgroup models

## Who It Is Not For

---

- ✗ Users requiring black ink cartridges
- ✗ Owners of non-Canon printers
- ✗ Those needing high-capacity printing
- ✗ Budget-conscious consumers
- ✗ Users with older iX6000 series printers

## Trade Offs to Consider

---

- Higher cost than third-party alternatives
- Limited to Canon printer ecosystems
- Requires periodic maintenance cleaning
- Color output may fade over time
- Not suitable for large-volume printing

## How It Compares

---

- More expensive than compatible alternatives
- Better color consistency than refills
- Fewer page yields than black cartridges
- Includes exclusive Creative Park content
- Requires specific printer maintenance

## Choose This If...

---

- ✓ You need reliable color output
- ✓ Your printer is on the compatible list
- ✓ You prioritize brand-specific performance
- ✓ You want consistent photo quality

## Skip This If...

---

- ✗ You require black ink only
- ✗ You need high-volume printing
- ✗ You prefer third-party alternatives
- ✗ Your printer is not compatible
