Who It Is For

-  Home users needing fast printing
-  Small businesses with low-volume needs
-  Users requiring duplex printing
-  Mobile users with Apple AirPrint
-  Frequent printers with auto document feeder
-  Those needing mobile compatibility

Who It Is Not For

-  Heavy users needing high-volume printing
-  Users requiring color printing
-  Large offices with high print demands
-  Those without mobile devices
-  Need high-speed scanning
-  No starter toner included

Trade Offs to Consider

-  Slower than high-end models
-  Limited color options
-  Smaller footprint than larger printers
-  Less advanced scanning features
-  No built-in duplex scanning
-  Lower capacity toner options

How It Compares

- Faster than basic models
- Less compact than desktop printers
- Fewer advanced features than multifunction printers
- Lower capacity toner than high-yield options
- Simpler setup than network printers
- Fewer connectivity options than premium models

Choose This If...

- ✓ Fast printing for home use
- ✓ Duplex saves paper costs
- ✓ Wireless mobile compatibility
- ✓ Includes starter toner
- ✓ Auto feeder for scanning
- ✓ Mobile device connectivity

✗ Skip This If...

- ✗ Need color printing options
- ✗ High-volume printing required
- ✗ Advanced scanning features needed
- ✗ No starter toner included
- ✗ Large office space required
- ✗ No mobile device compatibility
