## Who It Is For

-  Small office with limited space
-  Remote workers needing wireless printing
-  Home office with duplex printing needs
-  Teams requiring 3-year warranty coverage

## Who It Is Not For

-  Large enterprises with high-volume printing
-  Users without wireless setup capability
-  Color printing requirements
-  Those needing built-in document scanner

## Trade Offs to Consider

---

- Higher upfront cost vs. long warranty
- Limited color options for branding
- Expandable paper requires optional cassette
- No built-in scanner for document capture

## How It Compares

---

- Faster print speed than basic laser printers
- More paper capacity than compact models
- Better wireless setup than older network printers
- Longer warranty than entry-level printers

## Choose This If...

---

- ✓ Need fast, reliable wireless printing
- ✓ Require expandable paper capacity
- ✓ Value 3-year warranty coverage
- ✓ Want intuitive touchscreen interface

## Skip This If...

---

- × Need color printing capabilities
- × Require high-volume printing
- × Don't need wireless connectivity
- × Want built-in document scanner
