Refurbished with no toner included

## Who It Is For

---

- ✓ Businesses with high-volume monochrome printing needs
- ✓ Teams requiring scanning and faxing capabilities
- ✓ Offices needing wireless and Ethernet connectivity
- ✓ Users looking to reduce paper waste with duplex printing

## Who It Is Not For

---

- ✗ Users needing color printing or scanning
- ✗ Small offices with low-volume printing demands
- ✗ Those requiring color copying capabilities
- ✗ Individuals needing a compact, lightweight printer

## Trade Offs to Consider

---

- Slower color printing speed than some models
- Lacks color scanning or copying options
- Refurbished unit with no toner included
- Larger footprint compared to compact printers

## How It Compares

---

- Faster monochrome printing than many all-in-one printers
- Lacks color printing and scanning features
- Refurbished unit with no toner included
- Larger size than compact office printers

## Choose This If...

---

- ✓ Need fast, reliable monochrome printing with scanning and faxing
- ✓ Looking to reduce paper waste with automatic duplex printing
- ✓ Require wireless and Ethernet connectivity options

## Skip This If...

---

- ✗ Need color printing or scanning capabilities
- ✗ Have low-volume printing needs
- ✗ Require a compact, lightweight printer
