MEDIA SUPPORT

Glossy, photo, and standard paper

Who It Is For

- ✓ Small businesses needing wireless color printing
- ✓ Home offices requiring 150-sheet capacity
- ✓ Photographers printing high-resolution images
- ✓ Marketing teams creating custom materials

Who It Is Not For

- ✗ Users needing high-speed color printing
- ✗ Those without wireless connectivity
- ✗ Large-volume printing needs

Trade Offs to Consider

- Slower color print speed than some models
- Manual duplex printing
- Limited media size support

How It Compares

- Better than basic models with wireless connectivity
- Slower color speed than higher-end printers

Choose This If...

- ✓ Need wireless color printing with 150-sheet capacity
- ✓ Prioritize black/white speed over color
- ✓ Seek compact, all-in-one printing

Skip This If...

- ✗ Require faster color print speeds
- ✗ Need high-volume printing
- ✗ Lack wireless connectivity
