## Who It Is For

---

- ✓ Travelers needing passport-sized photos
- ✓ Frequent passport applicants
- ✓ Users requiring quick photo prints
- ✓ Photographers needing on-the-go editing

## Who It Is Not For

---

- ✗ Users without compatible smartphones
- ✗ High-volume print needs
- ✗ Those needing built-in scanners
- ✗ Users requiring duplex printing

## Trade Offs to Consider

---

- Portable for travel use
- Limited to 108 prints per roll
- Requires separate smartphone
- No built-in scanner function

## How It Compares

---

- Smaller than desktop models
- No built-in scanner function
- Limited paper capacity
- Requires smartphone app control

## Choose This If...

---

- ✓ Need portable passport photo printing
- ✓ Have compatible smartphone
- ✓ Require precise photo cutting
- ✓ Want wireless connectivity

## Skip This If...

---

- × Need high-volume printing
- × Require duplex printing
- × Need built-in scanner
- × Lack compatible smartphone
