Who It Is For

-  Small businesses with high-volume printing needs
-  Offices requiring Ethernet network connectivity
-  Users prioritizing 650-sheet paper capacity
-  Environments needing 1200 x 1200 DPI resolution
-  Teams requiring 3-year warranty coverage

Who It Is Not For

-  Users needing color printing capabilities
-  Those requiring included toner or drum
-  Environments with A4 media size requirements
-  Customers needing 24/7 technical support
-  Users prioritizing wireless connectivity

Trade Offs to Consider

-  No included toner vs 3-year warranty
-  Ethernet only vs wireless options
-  650-sheet tray vs higher capacity models
-  Monochrome output vs color printing
-  Refurbished unit vs brand-new pricing

How It Compares

- Faster than basic laser printers but slower than high-end models
- More reliable than cheap alternatives but pricier than entry-level
- Better warranty than most refurbished units but no toner included
- Superior resolution compared to inkjet printers but monochrome only
- More durable than budget models but heavier than compact printers

Choose This If...

- ✓ Need fast monochrome printing
- ✓ Require 650-sheet paper capacity
- ✓ Prioritize 3-year warranty
- ✓ Want Ethernet network connectivity

✗ Skip This If...

- ✗ Need color printing capabilities
- ✗ Require included toner or drum
- ✗ Want wireless connectivity options
- ✗ Need higher media size support
