## Who It Is For

---

-  Owners of Brother MFC-J491DW printers
-  Users needing high-yield ink for frequent printing
-  Budget-conscious buyers seeking compatible alternatives
-  Users requiring multiple ink colors for printing

## Who It Is Not For

---

-  Owners of non-compatible Brother printer models
-  Users requiring original equipment manufacturer ink
-  Users needing low-yield ink cartridges
-  Users needing fewer than 3 black cartridges

## Trade Offs to Consider

---

-  May show '?' on ink level display initially
-  Requires careful installation to avoid clogging
-  Not certified for specialized industrial printing
-  Limited color options compared to OEM

## Users Say

---

### ● POSITIVES

- ✓ Reliable print quality with vivid colors
- ✓ Easy to install with clear instructions
- ✓ Cost-effective compared to OEM options

### ● COMPLAINTS

- ⚠ Initial ink level display may confuse users
- ⚠ Limited color variety in some packs

## How It Compares

---

- Compatible with OEM cartridges but lower cost
- Higher page yield than standard LC3011 cartridges
- Similar print quality to original ink
- No warranty but certified for reliability

## Choose This If...

---

- ✓ Need compatible ink for listed Brother printers
- ✓ Prioritize cost-effective high-yield printing
- ✓ Require multiple ink colors for printing
- ✓ Value ISO9001 certification for quality

## Skip This If...

---

- × Printer model not in compatibility list
- × Need original manufacturer ink only
- × Printing volume below 440 pages per cartridge
- × Require specialized ink certifications
