## Who It Is For

---

- ✓ Frequent travelers needing receipts
- ✓ Users with smartphones/tablets
- ✓ Businesses requiring on-site printing
- ✓ Vehicle operators needing documentation

## Who It Is Not For

---

- ✗ Users needing large-format prints
- ✗ Those without compatible devices
- ✗ High-volume printing needs

## Trade Offs to Consider

---

- Limited print size compared to desktop models
- No ink but potential lower durability
- Dependent on device connectivity

## How It Compares

---

- vs. desktop printers: no ink but smaller output
- vs. thermal printers: compatible with more devices
- vs. mobile printers: less compact design

## Choose This If...

---

- ✓ Need portable on-the-go printing
- ✓ Use devices with USB/Bluetooth
- ✓ Avoid ink cartridge costs

## ✗ Skip This If...

---

- ✗ Require large-format printing
- ✗ Need high-speed batch printing
- ✗ Prefer wired-only connectivity
