-  Requiring different ink colors
-  Preferring single-cartridge purchases
-  Looking for eco-friendly ink options
-  Needing specialized print settings

Trade Offs to Consider

-  Higher cost per page than original
-  Requires proper printer setup
-  Limited color options available
-  Bulk purchase may not suit light users
-  No built-in print settings
-  May need periodic replacement

How It Compares

- Compare with original Brother cartridges for cost
- Third-party alternatives for price savings
- Single vs bulk purchase for usage needs
- Color options vs tri-color versatility
- Page yield vs original cartridge output
- Printer compatibility vs brand-specific use
