ASIN

B0DB8135J6

Who It Is For

- ✓ Users needing 4-color toner for HP Color LaserJet Pro printers
- ✓ Office staff printing high volumes on compatible models
- ✓ Users requiring toner without OEM chips
- ✓ Customers looking for cost-effective toner solutions

Who It Is Not For

- ✗ Users with non-HP Color LaserJet Pro printers
- ✗ Customers needing toner with pre-installed chips
- ✗ Individuals printing at less than 5% coverage
- ✗ Users requiring toner with higher page yields

Trade Offs to Consider

- Requires manual chip installation
- Higher cost compared to OEM toner
- Limited to specific printer models
- No automatic chip detection
- Requires careful handling for installation
- Lower page yield than OEM toner

Users Say

● POSITIVES

- ✓ Good value for the price
- ✓ Works well with compatible printers
- ✓ Easy to install without chip

● COMPLAINTS

- ⚠ Chip installation can be tricky
- ⚠ Not compatible with all HP models
- ⚠ Lower page yield than expected

How It Compares

- Cheaper than original HP toner
- No chip included; requires manual setup
- Limited to specific printer models
- Lower page yield than OEM toner
- More cost-effective for bulk printing
- Requires careful handling for installation

Choose This If...

- ✓ You need 4-color toner for HP Color LaserJet Pro printers
- ✓ You want a cost-effective alternative to OEM toner
- ✓ You can manually install the chip
- ✓ You print at 5% coverage or higher

Skip This If...

- ✗ You need toner with a pre-installed chip
- ✗ Your printer is not compatible with HP 218X cartridges
- ✗ You print at less than 5% coverage
- ✗ You require higher page yields than 3,050 pages
