Who It Is For

- ✓ Home users needing a fast, wireless printer
- ✓ Small offices requiring scanning and copying
- ✓ Families with photo printing needs
- ✓ Users wanting low long-term ink costs

Who It Is Not For

- ✗ Users needing high-volume printing
- ✗ Those without Wi-Fi connectivity
- ✗ People preferring traditional cartridges
- ✗ Businesses requiring heavy-duty printing

Trade Offs to Consider

- Higher upfront cost than cartridge printers
- Requires regular ink refills
- Slower color printing than laser printers
- Limited mobile app features compared to rivals

How It Compares

- Better than cartridge printers for long-term cost
- Superior to single-function printers
- Slower than laser printers for color
- Fewer mobile features than premium models

Choose This If...

- ✓ Want low ink costs over time
- ✓ Need scanning and copying features
- ✓ Prefer wireless printing convenience
- ✓ Print moderate volumes at home

Skip This If...

- × Need high-volume printing
- × Require laser printer speed
- × Prefer traditional ink cartridges
- × Lack Wi-Fi connectivity
