Who It Is For

- ✓ Businesses with high-volume print needs
- ✓ Legacy system integration required
- ✓ Reliable daily printing critical
- ✓ Cost-sensitive operations

Who It Is Not For

- ✗ Color printing required
- ✗ High-resolution output needed
- ✗ Wireless connectivity needed
- ✗ Low-volume print tasks

Trade Offs to Consider

- Slower than laser printers
- No color options available
- Limited media size compatibility
- Manual setup required

How It Compares

- Less durable than laser printers
- No wireless support
- Higher cost than inkjets
- Limited media compatibility

Choose This If...

- ✓ High-volume monochrome printing needed
- ✓ Legacy system compatibility required
- ✓ Low-cost long-term use

Skip This If...

- ✗ Color output necessary
- ✗ Wireless connectivity needed
- ✗ Small print volume
