Limited warranty included

DIMENSIONS

Dimensions: 21.5 x 21 x 11.25 in

Who It Is For

-  Businesses with heavy-duty printing needs
-  Environments requiring durable equipment
-  Users needing network connectivity
-  Operators requiring automatic duplex

Who It Is Not For

-  Users needing color printing
-  Light-duty office tasks
-  Applications requiring laser speed
-  Inkjet-compatible workflows

Trade Offs to Consider

-  Higher cost vs. laser printers
-  Slower than laser printers
-  No color support
-  Limited media compatibility

How It Compares

- Faster than inkjet for high-volume
- Slower than laser printers
- More durable than laser
- Less versatile than color printers

Choose This If...

- ✓ Need durable long-life printing
- ✓ Require network connectivity
- ✓ Use automatic duplex printing
- ✓ Print high-volume monochrome

Skip This If...

- × Need color output
- × Prioritize laser speed
- × Require limited media types
- × Seek lower upfront costs
