Who It Is For

- ✓ Home offices needing multifunctional printing
- ✓ Small businesses requiring wireless connectivity
- ✓ Remote workers with smartphone access
- ✓ Students needing document scanning

Who It Is Not For

- ✗ High-volume print shops
- ✗ Users without smartphones
- ✗ Ink tank printer preference
- ✗ Users prioritizing laser printing

Trade Offs to Consider

- High print quality vs ink cost
- Touchscreen interface vs physical buttons
- Wireless convenience vs wired reliability
- Multifunctional design vs single-purpose focus

How It Compares

- Compare with Epson WF-2965 for faster color printing
- Compare with HP OfficeJet 3800 for similar multifunctionality
- Compare with Canon PIXMA TR8500 for ink cost efficiency
- Compare with Brother MFC-J995DW for wireless features

Choose This If...

- ✓ Need wireless printing and scanning
- ✓ Want touchscreen navigation
- ✓ Require automatic duplex printing
- ✓ Looking for professional-grade home office solutions

Skip This If...

- ✗ Print volumes exceed 150 sheets daily
- ✗ Prefer ink tank refills over cartridges
- ✗ Require higher color print speeds
- ✗ Need standalone scanner functionality
