Trade Offs to Consider

- Higher ink cost compared to laser printers
- Complex setup requiring internet access
- Limited media size compared to A3 laser printers
- Requires genuine Epson cartridges only

Users Say

● POSITIVES

- ✓ Produces professional-grade print-shop quality
- ✓ Streamlines workflow with all-in-one functions

● COMPLAINTS

- ⚠ Ink cartridges can be expensive long-term
- ⚠ Setup requires technical troubleshooting

How It Compares

- Better than laser printers for large-format prints
- Worse than laser printers for ink cost efficiency
- Superior to single-function printers for multifunctionality

Choose This If...

- ✓ Need borderless prints up to 13" x 19"
- ✓ Require wireless and wired connectivity options
- ✓ Want automatic duplex printing and scanning

Skip This If...

- × Prioritize low-cost ink refills
