Epson Workforce Pro WF-C5710 Color Network Printer

QUICK BUYER GUIDE

Businesses needing fast secure color printing with wireless connectivity and automatic document feeding

At a Glance Specs

PRINT SPEED
24 pages per minute in color and black

INK SYSTEM
Replaceable ink packs with 45% lower cost than color lasers

CONNECTIVITY
Wireless Ethernet USB network access

DOCUMENT HANDLING
50-page automatic duplex feeder for scans/copies

SECURITY
Administrative controls for access and maintenance

DUPLEX PRINTING
Automatic two-sided printing capability

RESOLUTION
2400 x 1200 dpi color and black output

DIMENSIONS
22.8 x 16.7 x 17.7 inch footprint

Who It Is For

- Businesses with high-volume color printing needs
- Teams requiring network-connected multifunction
- Departments needing document security features
- Users prioritizing cost-effective color output

Who It Is Not For

- Small offices with low print volume
- Users needing high-speed monochrome printing
- Those without network connectivity
- Individuals requiring minimal setup

⚖️ Trade Offs to Consider

- Higher upfront cost vs long-term ink savings

- Slower monochrome speed than laser printers

- Requires regular ink refills

- Larger footprint than compact printers

⇄ How It Compares

- Compare with color laser printers for cost efficiency

- Inkjet vs laser for color print quality needs

- Multifunction vs single-function printers

- Networked vs standalone device requirements

✅ Choose This If...

- ✓ Need color printing with network access

- ✓ Require document security features

- ✓ Prioritize ink cost efficiency

- ✓ Want automatic duplex functionality

✕ Skip This If...

- ✕ Need high-speed monochrome printing

- ✕ Require minimal setup complexity

- ✕ Print volume is very low

- ✕ Prefer compact device footprint
