

Evolis LPS029NAA Full Hologram Patch Ribbon for Network Cabling

QUICK BUYER GUIDE

Network technicians need this for fiber optic cable management

At a Glance Specs

MANUFACTURER

Evolis

PACKAGE QUANTITY

1 unit per package

MATERIAL TYPE

Holographic coating

CABLE TYPE

Fiber optic cables

APPLICATION USE

Data centers and telecom

COMPATIBILITY

Standard network equipment

Who It Is For

-  Network technicians managing fiber optic cables
-  Telecom installers requiring labeled patch cords
-  Data center managers organizing cabling
-  Cabling professionals needing durable patch ribbons
-  IT infrastructure teams maintaining network equipment
-  Service providers deploying fiber optic connections

Who It Is Not For

-  Users requiring custom cable colors
-  Installers needing specific cable types
-  Bulk purchasers seeking volume discounts
-  Applications outside fiber optic networks
-  Environments with high-density cabling needs
-  Users needing custom labeling options

Trade Offs to Consider

-  Less durable than premium brands
-  Limited color options available
-  Higher cost per unit compared to bulk alternatives
-  Not suitable for high-density cabling setups
-  No custom labeling capabilities
-  Limited availability in some regions

How It Compares

- Standard fiber optic patch ribbon
- No custom color options
- Higher cost than bulk alternatives
- Not suitable for high-density cabling
- Limited availability in some regions
- No custom labeling options

Choose This If...

- ✓ You need standard fiber optic management
- ✓ You require labeled patch cords
- ✓ You work in data centers or telecom
- ✓ You prioritize durability in cabling

Skip This If...

- ✗ You need custom cable colors
- ✗ You require specific cable types
- ✗ You need bulk purchasing options
- ✗ You have high-density cabling needs
