

FBLFOBELI F013 Hard Case for Bluetooth Thermal Label Printers (Pink)

QUICK BUYER GUIDE

Travelers and professionals needing durable, waterproof protection for Bluetooth thermal label printers

At a Glance Specs

MATERIAL

EVA for durability and waterproofing

SIZE

9.3"W x 6.7"D x 4.7"H

WEIGHT

12.6 ounces for portability

CAPACITY

Protects 4x6 label printers only

DESIGN

Compact with mesh pocket for accessories

COMPATIBILITY

Fits POLONO, Phomemo, YOTON, and other 4x6 printers

Who It Is For

-  Users needing waterproof protection for label printers
-  Travelers requiring secure device storage
-  Professionals handling frequent label printing tasks
-  Those prioritizing shockproof case durability

Who It Is Not For

-  Users needing internal storage compartments
-  Those requiring non-waterproof protection
-  Individuals needing case with built-in charging ports
-  People prioritizing ultra-lightweight materials

Trade Offs to Consider

-  No internal compartments for extra storage
-  Limited to 4x6 printer compatibility
-  Case-only inclusion excludes accessories
-  Higher weight than plastic alternatives

How It Compares

- Better waterproofing than plastic cases
- Fewer compartments than multi-functional cases
- Lighter than hard-shell alternatives
- More compact than universal printer cases

Choose This If...

- ✓ Need durable waterproof protection
- ✓ Travel with label printing equipment
- ✓ Prioritize shockproof case design
- ✓ Require compact portable storage

Skip This If...

- ✗ Need internal storage compartments
- ✗ Require non-waterproof protection
- ✗ Prioritize ultra-lightweight materials
- ✗ Need case with built-in charging ports
