Built-in lithium polymer battery

CONNECTIVITY
Bluetooth pairing with mobile apps

PRINT SPEED
90 lines per minute monochrome

WARRANTY
2-year manufacturer warranty

✓ Who It Is For

- ✓ Small businesses needing portable receipts
- ✓ Android users requiring Bluetooth printing
- ✓ Mobile POS operations without iOS access
- ✓ Users prioritizing battery-powered devices

✕ Who It Is Not For

- ✕ iOS/Mac users needing OS compatibility
- ✕ Retailers using Square or DoorDash
- ✕ Users requiring USB connectivity
- ✕ Businesses needing duplex printing

⚖ Trade Offs to Consider

- Limited OS support excludes iOS/Mac
- No USB port for wired connections
- Battery requires initial activation
- Manual setup for Bluetooth pairing
- 2-year warranty not industry standard
- No automatic duplex printing

⇄ How It Compares

- Supports fewer operating systems than competitors

- Lacks USB port for additional connectivity

- Warranty shorter than premium models

- Requires manual battery activation

- No built-in USB charging capability

- No automatic duplex printing feature

✔ Choose This If...

✓ Need Android/Windows compatibility

✓ Prioritize portability and battery power

✓ Require 2-year warranty coverage

✓ Use mobile apps for printing

✕ Skip This If...

✕ Need iOS/Mac compatibility

✕ Require USB connectivity

✕ Expect longer warranty

✕ Need duplex printing

✕ Want automatic battery charging
