4.4 ounces for compact storage and transport

Who It Is For

-  Sublimation printer owners looking for reliable ink refills
-  DIY artists needing vibrant, long-lasting prints
-  Small businesses requiring cost-effective sublimation solutions
-  Users with Epson EcoTank models needing compatible accessories
-  Crafters prioritizing eco-friendly, refillable ink options

Who It Is Not For

-  Users with non-Epson EcoTank printers
-  Those requiring larger sublimation paper sizes
-  Customers needing single-color ink refills
-  Professionals requiring industrial-grade sublimation kits
-  Users prioritizing ultra-low cost per page

Trade Offs to Consider

-  Less color vibrancy than premium brand alternatives
-  Higher cost per page compared to cheaper refills
-  Limited compatibility with non-Epson printer models
-  Requires additional heat press equipment
-  Bulk packaging may increase shipping costs

How It Compares

- Offers ISO-certified quality vs cheaper alternatives
- Includes heat tape and gloves vs basic ink refills
- Compatible with more printer models vs niche brands
- Thicker paper reduces warping vs standard sublimation paper
- Refill bottles simplify maintenance vs cartridge-based systems

Choose This If...

- ✓ Need compatible ink for Epson EcoTank printers
- ✓ Want vibrant, long-lasting sublimation prints
- ✓ Looking for eco-friendly refillable solutions
- ✓ Require accessories like heat tape and gloves
- ✓ Prioritize ISO-certified quality standards

Skip This If...

- ✗ Have non-Epson compatible printer models
- ✗ Need larger sublimation paper sizes
- ✗ Require single-color ink refills only
- ✗ Prioritize ultra-low cost per page
- ✗ Need industrial-grade sublimation kits
