Who It Is For

-  Small businesses with moderate print volumes
-  Offices requiring color document printing
-  Users prioritizing refurbished cost savings
-  Environments needing 11 x 17 inch support

Who It Is Not For

-  High-volume print shops
-  Users needing 17 x 22 inch media
-  Those requiring wireless connectivity
-  Applications with extreme speed requirements

Trade Offs to Consider

- Refurbished status may affect warranty terms
- Slower than newer high-end models
- Limited to 11 x 17 inch maximum size
- No touchscreen interface available

How It Compares

- Refurbished status vs. new retail models
- 27 ppm speed vs. 30+ ppm competitors
- 11 x 17 inch support vs. 17 x 22 inch options
- Ethernet connectivity vs. wireless capabilities

Choose This If...

- ✓ Need reliable color printing at 27 ppm
- ✓ Want 11 x 17 inch document support
- ✓ Prioritize refurbished cost savings
- ✓ Require wired connectivity options

✗ Skip This If...

- ✗ Need faster than 27 ppm printing
- ✗ Require wireless network access
- ✗ Print 17 x 22 inch media
- ✗ Want touchscreen interface features
