✓ Who It Is For

- ✓ HP OfficeJet 6958 printer owners
- ✓ Users needing 750 black pages
- ✓ Printers requiring 315 color pages
- ✓ Eco-conscious buyers
- ✓ Users needing 4-color printing
- ✓ High-volume printing needs

✕ Who It Is Not For

- ✕ Non-HP printer users
- ✕ Users needing low-yield ink
- ✕ Budget-focused buyers
- ✕ Printers without compatible models
- ✕ Users requiring single-color ink
- ✕ Low-volume printing needs

⚖ Trade Offs to Consider

- ● Higher cost than third-party ink
- ● Limited color options compared to bundles
- ● Smaller packaging size
- ● Requires specific printer models
- ● No refill options available
- ● Shorter shelf life than bulk ink

⇄ How It Compares

- 2x more prints than non-HP ink

- Matches OEM printer specifications

- Comparable to single-color cartridges

- Better page yield than standard packs

- Similar cost to third-party alternatives

- Equivalent print quality to OEM

✅ Choose This If...

- ✓ You need 750 black pages

- ✓ Your printer requires 4 colors

- ✓ You prioritize sustainability

- ✓ You want reliable print quality

- ✓ You need high-volume printing

✕ Skip This If...

- ✕ Your printer isn't compatible

- ✕ You want lower printing costs

- ✕ You need fewer color options

- ✕ You prefer refillable options

- ✕ You require single-color ink
