## Who It Is For

---

-  Users with HP OfficeJet 9122e printers
-  Small businesses needing consistent black printing
-  Eco-conscious consumers avoiding plastic waste
-  Users requiring fade-resistant documents
-  Home users printing everyday documents
-  Printers needing high page yield

## Who It Is Not For

---

-  Users with non-HP compatible printers
-  Those needing color ink cartridges
-  High-volume commercial printers
-  Budget-conscious users seeking cheaper alternatives
-  Users avoiding plastic-based products
-  Printers requiring refillable ink systems

## Trade Offs to Consider

---

-  Higher cost than third-party alternatives
-  Limited to black ink only
-  No refill options available
-  Environmental impact from plastic packaging
-  Lower yield than some competing models
-  Not suitable for photo printing

## How It Compares

---

- Better quality than third-party black ink
- Less yield than HP 935 tri-color cartridges
- More expensive than generic alternatives
- Suitable for older HP printer models

## Choose This If...

---

- ✓ Your printer is listed as compatible
- ✓ You need reliable black ink performance
- ✓ You prioritize eco-friendly practices
- ✓ You require fade-resistant prints

## Skip This If...

---

- ✗ Your printer isn't on the compatibility list
- ✗ You need color ink cartridges
- ✗ You want lower-cost alternatives
- ✗ You avoid plastic-based products
