✓ Who It Is For

- ✓ Users with HP OfficeJet 8702 or Pro 7720/8740 printers

- ✓ Need high-quality, fade-resistant prints

- ✓ Looking for eco-friendly ink options

- ✓ Prioritize consistent color accuracy

✕ Who It Is Not For

- ✕ Users with non-HP OfficeJet printers

- ✕ Need higher page yield than 630 pages per color

- ✕ Don't use HP's Instant Ink service

- ✕ Seeking lower-cost generic ink alternatives

⚖ Trade Offs to Consider

- ● Less than 2x more prints compared to some third-party options

- ● Higher cost than generic ink cartridges

- ● Limited to specific HP printer models

- ● Requires compatible printer for optimal performance

⇄ How It Compares

- Designed for consistent color accuracy and reliability

- Upcycled plastic reduces environmental impact

- Better than generic ink for HP printer compatibility

- Fewer pages per cartridge than some alternatives

✓ Choose This If...

- ✓ Need reliable ink for HP OfficeJet printers

- ✓ Prioritize fade-resistant, high-quality prints

- ✓ Want eco-friendly ink options

- ✓ Use HP's Instant Ink service

✕ Skip This If...

- ✕ Require higher page yield than 630 pages

- ✕ Need compatibility with non-HP printers

- ✕ Seek lower-cost ink alternatives

- ✕ Don't use HP printers for regular printing
