Who It Is For

-  Small business with remote printing needs
-  Teams requiring mobile scan/print access
-  Offices needing secure document handling
-  Users prioritizing color output versatility
-  Workspaces with dual-band Wi-Fi availability

Who It Is Not For

-  Users printing less than 50 pages monthly
-  High-volume monochrome printing needs
-  Environments without stable Wi-Fi
-  Those requiring advanced fax features
-  Spaces with limited 250-sheet input capacity

Trade Offs to Consider

-  Higher upfront cost vs basic printers
-  Requires stable network connection
-  Limited mobile app customization
-  Complex setup for non-technical users
-  Toner cost exceeds inkjet alternatives

Users Say

● POSITIVES

- ✓ Easy to set up with HP Smart app
- ✓ Good color output for marketing materials
- ✓ Secure features meet office requirements

● COMPLAINTS

- ⚠ Toner cartridges are expensive
- ⚠ Mobile app has limited customization
- ⚠ Setup requires technical expertise

How It Compares

- Slower than high-end color printers
- Fewer advanced security features than enterprise models
- Higher cost than basic multifunction devices
- Limited paper handling capacity compared to large offices

Choose This If...

- ✓ Need wireless color printing with mobile access
- ✓ Require secure document handling features
- ✓ Value automatic duplex printing capabilities
- ✓ Have stable network infrastructure available

✗ Skip This If...

- ✗ Print volume under 50 pages monthly
- ✗ Need monochrome-only printing
- ✗ Budget constraints limit upfront costs
- ✗ Lack technical expertise for setup
