

HP Color LaserJet Pro MFP 3301fdw All-in-One Printer

QUICK BUYER GUIDE

Ideal for small offices needing color printing, scanning, and copying

At a Glance Specs

PRINT SPEED

Up to 26 pages per minute in color and black

CONNECTIVITY

Wi-Fi, Ethernet, and USB ports available

DUPLEX PRINTING

Automatic two-sided printing for efficiency

SCANNER TYPE

Sheetfed scanner for document digitization

INPUT CAPACITY

250-sheet tray for batch printing

COLOR OUTPUT

Professional color prints with vivid tones

WIRELESS FEATURES

Dual-band Wi-Fi with automatic connection fixes

POWER USE

416 watts for high-performance printing

Who It Is For

-  Small office with color printing needs
-  Teams requiring fast document scanning
-  Businesses needing fax capabilities
-  Users wanting automatic duplex printing
-  Groups needing reliable wireless connectivity
-  Organizations with high-volume printing demands

Who It Is Not For

-  Home users needing basic monochrome printing
-  Users requiring high-speed black-only printing
-  Individuals with limited connectivity options
-  Those needing advanced mobile app controls
-  People looking for minimal setup complexity
-  Users with strict budget constraints

Trade Offs to Consider

-  Limited mobile app features compared to competitors
-  Higher power consumption than standard printers
-  Requires specific HP toner for optimal performance
-  Larger footprint due to 250-sheet input tray
-  More complex setup for advanced wireless features
-  Higher initial cost than entry-level models

Users Say

● POSITIVES

- ✓ Great for office color printing and scanning
- ✓ Reliable performance with minimal downtime
- ✓ Easy to set up with wireless connectivity
- ✓ Professional-quality color output for reports

● COMPLAINTS

- ⚠ Higher power usage than expected
- ⚠ Limited mobile app functionality
- ⚠ Requires specific HP toner for compatibility
- ⚠ Complex setup for advanced features

How It Compares

- Better color output than basic laser printers
- Faster than standalone copiers for small volumes
- More expensive than monochrome office printers
- Fewer mobile app features than premium models
- Larger footprint than compact printers
- Higher power consumption than energy-efficient models

Choose This If...

- ✓ You need color printing and scanning in an office
- ✓ You require reliable wireless and Ethernet connectivity
- ✓ You want automatic duplex printing for efficiency
- ✓ You have a 250-sheet input tray for batch jobs
- ✓ You need professional color output for reports
- ✓ You value long-term reliability and performance

✗ Skip This If...

- ✗ You need monochrome printing only
- ✗ You have limited budget for office equipment
- ✗ You want minimal power consumption
- ✗ You need advanced mobile app controls
- ✗ You require a compact footprint
- ✗ You prefer simpler setup and lower cost
