2 pages per minute in color and monochrome

 **INCLUDED COMPONENTS**
Auto sheet feeder media bin and starter ink

 **CONNECTIVITY**
Ethernet USB Wi-Fi with network-ready features

 **DIMENSIONS**
24 x 52 x 37 inches with included stand

 **PRINT RESOLUTION**
2400 x 1200 dpi for sharp text and graphics

Who It Is For

- ✓ Handles technical line-drawings and CAD designs
- ✓ Prints large-format posters and maps
- ✓ Uses Ethernet USB or Wi-Fi connectivity
- ✓ Requires precise color accuracy for blueprints

Who It Is Not For

- ✗ Users needing faster print speeds (2 ppm)
- ✗ Those requiring duplex printing
- ✗ Small businesses with limited media types
- ✗ Professionals needing 48-bit color depth

Trade Offs to Consider

- Slower than high-end plotters with 2 ppm speed
- Limited media types compared to competitors
- No built-in duplex printing capability
- Requires HP OEM ink cartridges only

How It Compares

- Better than basic plotters with 36-inch media
- Similar to T630 series but with auto cutter
- Slower than T660 models with 4 ppm speed
- More compact than T630 44-inch variants

Choose This If...

- ✓ Need precise color prints for technical work
- ✓ Use large-format media rolls or sheets
- ✓ Require network connectivity options
- ✓ Want included media handling accessories

Skip This If...

- ✗ Need faster print speeds than 2 ppm
- ✗ Require duplex printing capabilities
- ✗ Prefers lower cost third-party ink options
- ✗ Needs 48-bit color depth support
