Who It Is For

- ✓ Users needing basic color document printing
- ✓ Home offices with limited printing needs
- ✓ Those who print from mobile devices
- ✓ Customers wanting simple setup and maintenance

Who It Is Not For

- ✗ Heavy users requiring high-volume printing
- ✗ Users without an HP account for HP+ features
- ✗ Those needing advanced scanning capabilities

Trade Offs to Consider

- Slower print speeds compared to higher-end models
- Ink costs add up after initial trial period
- Limited to HP-branded ink and firmware updates

How It Compares

- Better than basic printers for color needs
- Worse than high-end models for speed and features

Choose This If...

- ✓ You need home color printing with mobile access
- ✓ You want simple setup and automatic updates
- ✓ You're okay with HP ink costs long-term
- ✓ You need basic scan and copy functions

✗ Skip This If...

- ✗ You require high-speed printing
- ✗ You need advanced scanning features
- ✗ You prefer non-HP ink compatibility
- ✗ You need duplex printing capabilities
