Who It Is For

-  Small office departments
-  Budget-conscious users
-  Monochrome printing needs
-  Renewed equipment buyers

Who It Is Not For

-  High-volume print users
-  Color printing requirements
-  Automatic duplex users
-  Network-dependent workflows

Trade Offs to Consider

-  Lower speed than higher-end models
-  Manual duplex instead of automatic
-  No color printing capability
-  Limited connectivity options

How It Compares

-  Cheaper than new models
-  Fewer connectivity options
-  Less durable than new units
-  Slower than premium printers

Choose This If...

- ✓ Need a reliable monochrome printer
- ✓ Seeking affordable refurbished options
- ✓ Prioritize basic printing functions
- ✓ Accept manual duplex printing

✗ Skip This If...

- ✗ Require color printing
- ✗ Need high-volume output
- ✗ Demand automatic duplex
- ✗ Expect premium durability
