Who It Is For

-  Small offices needing reliable black-and-white printing
-  Home offices requiring duplex printing
-  Businesses needing cost-effective monochrome printing
-  Users needing A4 paper size support
-  Offices with limited space for compact design
-  Users prioritizing 90-day warranty coverage

Who It Is Not For

-  Large enterprises requiring high-volume printing
-  Users needing color printing capabilities
-  Individuals needing wireless connectivity
-  Users requiring advanced paper handling features
-  Offices needing multi-function printing
-  Users requiring extended warranty beyond 90 days

Trade Offs to Consider

-  Refurbished unit with 90-day warranty
-  No color printing capability
-  Limited to USB and Ethernet connectivity
-  No wireless or Wi-Fi printing
-  Smaller input tray capacity compared to higher-end models
-  No advanced paper handling features

How It Compares

- Less powerful than higher-end laser printers
- No color printing options
- Limited to USB and Ethernet connectivity
- Smaller input tray compared to larger models
- No wireless connectivity features
- Refurbished unit with 90-day warranty

Choose This If...

- ✓ Need a reliable black-and-white laser printer
- ✓ Require duplex printing for cost savings
- ✓ Need A4 paper size support
- ✓ Prioritize 90-day warranty coverage
- ✓ Looking for a compact, low-maintenance printer

Skip This If...

- ✗ Need color printing capabilities
- ✗ Require wireless or Wi-Fi connectivity
- ✗ Need advanced paper handling features
- ✗ Want a longer warranty period
- ✗ Require higher print speeds or larger input trays
