## Who It Is For

---

-  Businesses needing high-volume monochrome printing
-  Offices with large paper tray requirements
-  Users requiring network-ready printing
-  Those seeking cost-effective refurbished options
-  Users needing 90-day warranty coverage

## Who It Is Not For

---

-  Users needing color printing capabilities
-  Those requiring toner included
-  Individuals needing immediate toner replacement
-  Users wanting extended warranty beyond 90 days
-  Those needing specific connectivity options

## Trade Offs to Consider

---

-  No included toner cartridges
-  Requires separate setup and configuration
-  Limited warranty compared to new units
-  No color printing options available
-  No additional features beyond standard specs

## How It Compares

---

- Competes with new printers on print speed
- Matches industry standards for media size
- Offers shorter warranty than new models
- Provides comparable connectivity options
- Delivers similar memory and tray capacities
- Lacks color printing capabilities

## Choose This If...

---

- ✓ Need reliable monochrome printing
- ✓ Seek cost-effective refurbished options
- ✓ Require 90-day warranty coverage
- ✓ Need network-ready printing capabilities
- ✓ Want large input tray support

## Skip This If...

---

- ✗ Need toner included with purchase
- ✗ Require extended warranty coverage
- ✗ Need color printing capabilities
- ✗ Want additional features beyond specs
- ✗ Need immediate toner replacement
