

HP LaserJet Enterprise M605N Laser Printer (Renewed)

QUICK BUYER GUIDE

Ideal for high-volume office printing with fast speeds and network connectivity

At a Glance Specs

→ **PRINT SPEED**
55 pages per minute for high-volume tasks

🗑️ **INPUT CAPACITY**
650-sheet tray for continuous use

📶 **CONNECTIVITY**
Ethernet and USB for network integration

💾 **MEMORY**
512 MB for efficient job handling

⚡ **POWER USE**
840 watts for high-performance output

🖨️ **RESOLUTION**
1200 x 1200 dpi for sharp text

Who It Is For

-  Offices requiring high-volume monochrome printing
-  Businesses needing reliable network connectivity
-  Users prioritizing refurbished equipment with warranty

Who It Is Not For

-  Users needing color printing capabilities
-  Low-volume print environments
-  Those without Ethernet or USB setup

Trade Offs to Consider

-  Monochrome only (no color options)
-  Higher power consumption than basic models
-  90-day warranty instead of extended coverage

How It Compares

-  Faster than basic monochrome printers
-  Less versatile than color models
-  More expensive than entry-level refurbs

Choose This If...

- ✓ Need high-speed monochrome printing
- ✓ Require network integration
- ✓ Prioritize refurbished reliability

✗ Skip This If...

- ✗ Need color printing capabilities
- ✗ Print volume is low to moderate
- ✗ Require extended warranty coverage
