 **MOBILE ACCESS**
Print from smartphones, tablets, or laptops

Who It Is For

- ✓ Small office with 1-5 users
- ✓ Need fast black-and-white printing
- ✓ Require secure wireless setup
- ✓ Print from mobile devices

Who It Is Not For

- ✗ Require color printing
- ✗ Need high-volume printing
- ✗ Want advanced document scanning
- ✗ Looking for touchscreen interface

Trade Offs to Consider

- Slower than color laser printers
- Limited to black-and-white output
- No touchscreen controls
- Basic security features only

How It Compares

- Better than basic laser printers for wireless printing
- Similar to M203dw but with faster duplex speed
- Less capable than MFPs with scanning
- More secure than inkjet printers

Choose This If...

- ✓ Need fast, reliable black-and-white printing
- ✓ Want secure wireless connectivity
- ✓ Print from mobile devices
- ✓ Looking for energy-efficient office printer

Skip This If...

- ✗ Require color printing
- ✗ Need high-volume printing
- ✗ Want advanced security features
- ✗ Prefers touchscreen interface
