- Requires basic network setup
- No touchscreen interface

Users Say

POSITIVES

✓ Fast print speeds for daily use

✓ Easy wireless setup process

✓ Reliable dual-band connectivity

How It Compares

● Faster than basic laser printers

● More secure than consumer-grade models

● Less expensive than color printers

● Smaller footprint than multifunction devices

Choose This If...

✓ Need fast monochrome printing

✓ Want secure wireless connectivity

✓ Print from mobile devices

✓ Manage small team print needs

Skip This If...

✕ Require color printing capabilities

✕ Need high-volume printing

✕ Want cloud document storage

✕ Have complex network requirements
