WARRANTY
Included with purchase

✓ Who It Is For

- ✓ Offices needing fast monochrome printing

- ✓ Users requiring secure document handling

- ✓ Teams with Ethernet/USB connectivity

- ✓ Small businesses needing pre-installed toner

✗ Who It Is Not For

- ✗ Users needing wireless connectivity

- ✗ Those requiring duplex printing

- ✗ Individuals needing color printing

- ✗ Organizations needing high-volume printing

⚖ Trade Offs to Consider

- Lacks wireless connectivity options

- No duplex printing capability

- Limited to monochrome printing

- Higher energy consumption compared to some models

⇄ How It Compares

- Faster print speed than many monochrome lasers

- More secure than basic printers

- Lower cost than wireless models

- Simpler setup than multifunction devices

✅ Choose This If...

- ✓ Need fast, secure monochrome printing

- ✓ Pre-installed toner saves setup time

- ✓ Ethernet/USB connectivity is sufficient

- ✓ Looking for a reliable, straightforward printer

✕ Skip This If...

- ✕ Require wireless connectivity

- ✕ Need duplex printing

- ✕ Desire color output

- ✕ Need high-volume printing capabilities
