-  Wireless convenience vs. wired reliability
-  Mobile access vs. desktop-only workflows
-  Duplex printing vs. single-sided output

Users Say

● POSITIVES

- ✓ Fast print speeds for daily use
- ✓ Secure network setup process
- ✓ Convenient mobile printing options

● COMPLAINTS

- ⚠ Setup requires technical knowledge
- ⚠ No color printing capability
- ⚠ Limited paper size options

How It Compares

- Faster than basic monochrome printers
- More secure than standalone devices
- Better mobile integration than wired models
- Less powerful than high-volume copiers
- More expensive than single-function printers

Choose This If...

- ✓ Need fast black-and-white printing
