Who It Is For

-  Small offices with limited space
-  Users needing monochrome prints
-  Teams requiring USB connectivity
-  Budget-conscious buyers
-  Workspaces with 250-page print needs

Who It Is Not For

-  Users needing color printing
-  High-volume print environments
-  Duplex printing requirements
-  Wireless connectivity needs

Trade Offs to Consider

- Lower speed than higher-end models
- Limited connectivity options
- No automatic duplex printing
- No color printing capability

How It Compares

- Slower than laser printers with higher ppm
- Less versatile than color printers
- Smaller than multi-function devices
- No wireless capabilities

Choose This If...

- ✓ Need a reliable monochrome printer
- ✓ Have space constraints
- ✓ Require USB connectivity
- ✓ Want a compact design

Skip This If...

- ✗ Need color printing
- ✗ Print volumes exceed 250 pages
- ✗ Require duplex printing
- ✗ Need advanced connectivity options
