 **PRINTER TYPE**
Laser printer with auto-duplex and extra paper feeder

 **NETWORK CONNECTIVITY**
Ethernet-based wired network support

 **PRINT SPEED**
45 pages per minute monochrome output

 **PAPER HANDLING**
500-sheet feeder with automatic duplexing

 **WEIGHT**
160 pounds for heavy-duty use

 **WARRANTY**
90-day depot warranty with replacement parts

Who It Is For

-  Offices requiring high-volume monochrome printing
-  Workgroups needing networked printer access
-  Users prioritizing duplex printing capabilities
-  Budget-conscious replacements for aging HP models

Who It Is Not For

-  Users needing original HP toner cartridges
-  Small businesses with low-volume printing needs
-  Customers requiring 24/7 printer support
-  Users needing lightweight portable printers

Trade Offs to Consider

-  Refurbished unit may show cosmetic wear
-  No included toner cartridges required
-  90-day warranty versus original 1-year warranty
-  Heavier than standard laser printers
-  Requires separate driver installation
-  No touchscreen interface available

How It Compares

- Refurbished versus original HP factory unit
- No toner included versus original packaging
- 90-day warranty versus standard 1-year warranty
- Same printer specifications as original model
- Similar network connectivity features
- Identical paper handling capabilities

Choose This If...

- ✓ Need high-volume monochrome printing
- ✓ Require networked duplex printing
- ✓ Seek cost-effective replacement solution
- ✓ Accept refurbished unit condition

Skip This If...

- ✗ Need original HP toner cartridges
- ✗ Require 24/7 printer support
- ✗ Need lightweight portable printer
- ✗ Expect 1-year warranty coverage
