Who It Is For

-  Small teams up to 7 users
-  Need secure black-and-white printing
-  Require cloud-connected management
-  Want wireless printing from devices
-  Need auto duplex printing
-  Looking for easy setup
-  Desire toner subscription service

Who It Is Not For

-  Large offices with high-volume printing
-  Need color printing
-  Require mobile app controls
-  Need advanced security features beyond basic

Trade Offs to Consider

-  Limited color options
-  Requires HP toner cartridges
-  No built-in scanning
-  Higher initial cost than basic models
-  Dependent on Wi-Fi connectivity

Users Say

● POSITIVES

- ✓ Fast print speeds save time
- ✓ Secure settings protect data
- ✓ Easy cloud management

● COMPLAINTS

- ⚠ Toner subscription fees
- ⚠ Limited mobile app features

How It Compares

- Better than basic printers for small teams
- Less secure than enterprise models
- More expensive than entry-level options

Choose This If...

- ✓ Need secure, fast black-and-white printing
- ✓ Want cloud-connected management
- ✓ Require auto duplex for efficiency
- ✓ Looking for toner subscription service

Skip This If...

- × Need color printing
- × Require advanced security
- × Prefer lower cost options
