FOOTPRINT

Compact design for tight spaces

Who It Is For

- ✓ Small businesses needing fast printing
- ✓ Offices requiring duplex printing
- ✓ Teams with high-volume print needs
- ✓ Environments needing secure data handling

Who It Is Not For

- ✗ Users needing color printing
- ✗ Small spaces with limited room
- ✗ Those requiring high-speed color printing
- ✗ Budget-conscious buyers looking for lower cost

Trade Offs to Consider

- No color printing capability
- Higher upfront cost than some models
- Limited connectivity options
- Requires Original HP toner

How It Compares

- Faster than many monochrome printers
- More expensive than basic models
- Better security features than competitors
- Larger footprint than compact printers

Choose This If...

- ✓ Need reliable duplex printing
- ✓ Require secure data handling
- ✓ Have high-volume print needs

Skip This If...

- ✗ Need color printing
- ✗ Looking for lower cost
- ✗ Limited space
