

# HP Neverstop 1202nw Monochrome Laser MFP - Copier/Printer/Scanner

## QUICK BUYER GUIDE

Ideal for small offices needing fast, reliable monochrome printing and scanning

### At a Glance Specs

 **PRINT SPEED**  
Prints up to 21 pages per minute in monochrome

 **RESOLUTION**  
600 dpi print and scan resolution

 **DUPLEX**  
Manual duplex printing supported

 **INPUT CAPACITY**  
150-sheet input tray

 **CONNECTIVITY**  
Wireless, Ethernet, and USB connectivity

 **POWER**  
338W power consumption

## Who It Is For

---

-  Small offices needing fast monochrome printing
-  Departments requiring reliable scanning
-  Users prioritizing wireless connectivity
-  Teams with limited desk space

## Who It Is Not For

---

-  Large offices needing high-volume color printing
-  Users requiring automatic duplex printing
-  Those needing advanced security features

## Trade Offs to Consider

---

-  Manual duplex printing requires extra steps
-  Lower resolution than color printers
-  Higher power consumption than energy-efficient models
-  Limited media size compatibility

## How It Compares

---

- Competes with similar monochrome MFPs in speed and connectivity
- Lacks automatic duplex compared to premium models
- Fewer media size options than high-end printers

### Choose This If...

---

- ✓ Need fast monochrome printing and scanning
- ✓ Prioritize wireless connectivity
- ✓ Seek basic multifunctionality

### Skip This If...

---

- × Require color printing or automatic duplex
- × Need advanced security features
- × Prioritize energy efficiency
