Who It Is For

-  Small businesses needing multifunction printing
-  Remote workers requiring mobile printing
-  Offices with limited desk space
-  Students needing affordable printing
-  Users prioritizing wireless connectivity

Who It Is Not For

-  Large offices with high-volume printing
-  Users requiring color-heavy output
-  Tech-savvy users needing advanced features
-  Those needing laser-like speed
-  Customers seeking brand-new units

Trade Offs to Consider

-  Refurbished cost vs. new laser printer price
-  Wireless convenience vs. wired reliability
-  Multifunctionality vs. single-task printers
-  Ink cost vs. laser toner longevity
-  90-day warranty vs. extended coverage

How It Compares

- Cheaper than laser printers per page
- Fewer connectivity options than premium models
- Slower than high-end laser printers
- Refurbished status vs. new unit pricing

Choose This If...

- ✓ Need a multifunction wireless printer
- ✓ Prioritize mobile printing flexibility
- ✓ Seek affordable refurbished options
- ✓ Require basic duplex printing capabilities

Skip This If...

- ✗ Need high-speed laser printing
- ✗ Require color-heavy output
- ✗ Want extended warranty coverage
- ✗ Preferring brand-new units
