## Who It Is For

---

- ✓ Owners of HP Color LaserJet Pro MFP M283fdw
- ✓ Users needing bulk toner replacements
- ✓ Budget-conscious printer operators
- ✓ Businesses requiring consistent print output

## Who It Is Not For

---

- ✗ Users with non-HP Color LaserJet Pro models
- ✗ Printers needing over 1350 page yields
- ✗ Customers preferring original HP cartridges
- ✗ Users requiring single-cartridge purchases

## Trade Offs to Consider

---

- Lower page yield than original cartridges
- No built-in chip for automatic recognition
- Requires manual installation setup
- Limited to specific HP model variants

## How It Compares

---

- Compatible with specific HP models vs. original cartridges
- Lower cost per page vs. premium toner
- 4-pack convenience vs. single-cartridge pricing
- Chip-enabled vs. manual setup requirements

### Choose This If...
