PRINT SPEED

1 page per minute for color prints

Who It Is For

-  Frequent travelers needing instant prints
-  Students printing photos for school projects
-  Parents creating waterproof memory keepsakes
-  Users with Bluetooth-enabled devices

Who It Is Not For

-  Users requiring faster print speeds
-  Those needing larger photo sizes
-  Users without Bluetooth devices
-  High-volume commercial printing needs

Trade Offs to Consider

- Slower print speed compared to desktop models
- Limited to 2.1x3.4" photo size
- Battery life may vary with frequent use
- No duplex printing capability

How It Compares

- Ideal for home or school use
- Less suitable for high-volume printing
- Better than disposable photo printers
- Worse than desktop models for speed

Choose This If...

- ✓ Need portability and waterproof prints
- ✓ Want to print photos on the go
- ✓ Have Bluetooth-enabled smartphones
- ✓ Need simple border or borderless options

✗ Skip This If...

- ✗ Require faster print speeds
- ✗ Need larger photo sizes
- ✗ Plan to print hundreds of photos monthly
- ✗ Want duplex printing capabilities
